ICMEET-2024, NIT-Mz: Registration Form

Conference Name

9th International Conference on Micro-Electronics,
Electromagnetics and Telecommunications (ICMEET - 2024)
DECEMBER 19-20, 2024. Organized By
Department of Electronics and Communication Engineering,
and Department of Electrical Engineering, National Institute of
Technology Mizoram, India to be held in STPI, Kolkata, W.B.,
India.

About the Conference

The 9th ICMEET is an international colloquium, which aims to
bring together academic scientists, researchers and research
scholars to discuss the recent developments and future trends
in the fields of microelectronics, electromagnetics and
telecommunication. Microelectronics research investigates
semiconductor materials and device physics for developing
electronic devices and integrated circuits with data/energy
efficient performance in terms of speed, power consumption,
and functionality. The books published so far with the title
ICMEET in LNEE, discussed various topics like analog, digital
and mixed signal circuits, bio-medical circuits and systems, RF
